His Annual Rebirth was on Epiphany/Theophany (God Incarnate as Man/**Jesus** Christ), which brought New Year Celebrations to a Close & Completed the **Time** Cycle that Aion Embodied.

YOUR UNIVERSAL OUROBORIAN FORM

Ragnar Slayed the Snake & married Thora. He also married the Beautiful Kraka, who bore Ragnar a son named Sigurd Snake-in-the-Eye, with the image of a White Snake in One Eye which Encircled his Iris & Bit itself in the Tail.

YOUR UNIQUE HILDEGARDIAN FORM

Saint Hildegard of Bingen (Sibyl of the Rhine) (1098 – 1179 AD) Captured **Your Form** in Her Own Emotional & Unique **Vision** of **Your** Universal **Form**. Only the Head & Feet are Visible on the Nous (World Spirit) which is Controlled by the Godhead.

The firmament corresponds to the head of man, in which, from the top of the cerebral cavity to “the last extremity of the forehead,” are seven marked spaces all equal, which correspond to the seven planets, all of which, says Hildegard, are equally distant from each other in the heavens. The Sun, Moon, & Stars she compares to his Eyes; Air is his Hearing, the Winds his Smelling, the Dew of Heaven his Tasting, & the Sides of the World his Arms & his Touching. The **Earth** is like the **Heart** of the Cosmos, for it, like the **Heart** of man, can be stirred by Emotion; & as the **Heart** of man, moved by Joy or Sorrow, excites the Brain to cause Tears to Flow, so the **Earth**, when the **Moon** begins to Wax & Wane, sends up her Tears, the Fogs of her Oceans & Seas.

YOUR UNIVERSAL METALLURGIC FORM

Your Anthropocosmic **Form** is also **Foretold** from the Metallurgic Point of View (POV), in Reference to **Your** Cycles of **Time** (Temporal POV), & Nested within the POV of Morality & Consciousness.

Many Hindu Scriptures (Vishnu Smriti, Mahabharata (Vanaparva), Manusmriti, & Puranas (Bhagavata, Brahma, Matsya, Naradiya, & Purvardha) described **Your Four Yugas** (Golden, Silver, Bronze, & Iron Ages).

Hesiod's *Works & Days* (c. 700 BC) described 5 Ages (Golden, Silver, Bronze, Heroic, & Iron Ages), where the men of the Golden Age lived like gods without sorrow, toil, grief, & old age, while the men of the Iron Age ("the race of iron") never rest from labor & sorrow, are degenerated without shame, morality, & righteous indignation, & have short lives with frequent deaths at night, where even a new-born baby shows signs of old age, only to end when Zeus destroys it all.

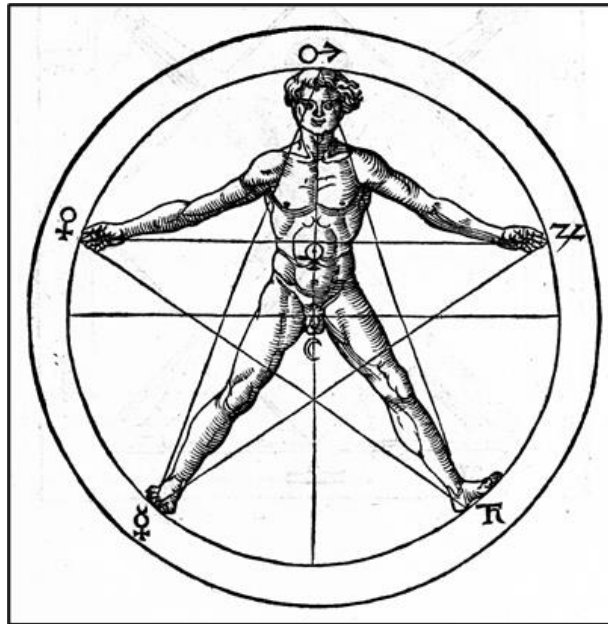

Plato's *The Statesman* (c. 399 – 347 BC) described **Time** as an indefinite cycle of two 36,000-year halves: (1) the world's unmaking descent into chaos and destruction (2) the world's remaking by its creator into a renewed state. In the *Cratylus*, Plato recounted the Golden Race of Men who came first, who were noble & Good Daemons upon the **Earth**.

Ovid's *Metamorphoses* (c. 8 BC) described Four Ages (Golden, Silver, Bronze, & Iron Ages) as a downward curve with the present **time** as the feet of misery & immorality, affecting both human life & the after-death state. Deaths in the first two ages became immortal watchful spirits that benefited the human race, deaths in the third age went to Hades (the underworld), & deaths in the fourth age had an unknown fate.

"So He took me there, & I saw a man whose appearance was like Bronze. He was Standing in the Gateway with a Linen Cord & a Measuring Rod in his Hand." – Ezekiel 40:3

"& his feet like unto fine brass, as if they burned in a furnace; & his voice as the sound of many waters." – Revelation 1:15

YOUR FIVE-FORM

Your Body (& Most Other Creatures) is Fashioned in a Pentagonal, & **Venus** is the Fashioner. Her Stellar Conjunctions make for Optimal Circular Torque on **Earth**. Simply Look at a Ceiling Fan, or the Lug Nuts on the Wheel of an Automobile. In Yoruba (West Africa), Obatala (**Venus**) is the Fashioner of Men's Bodies.

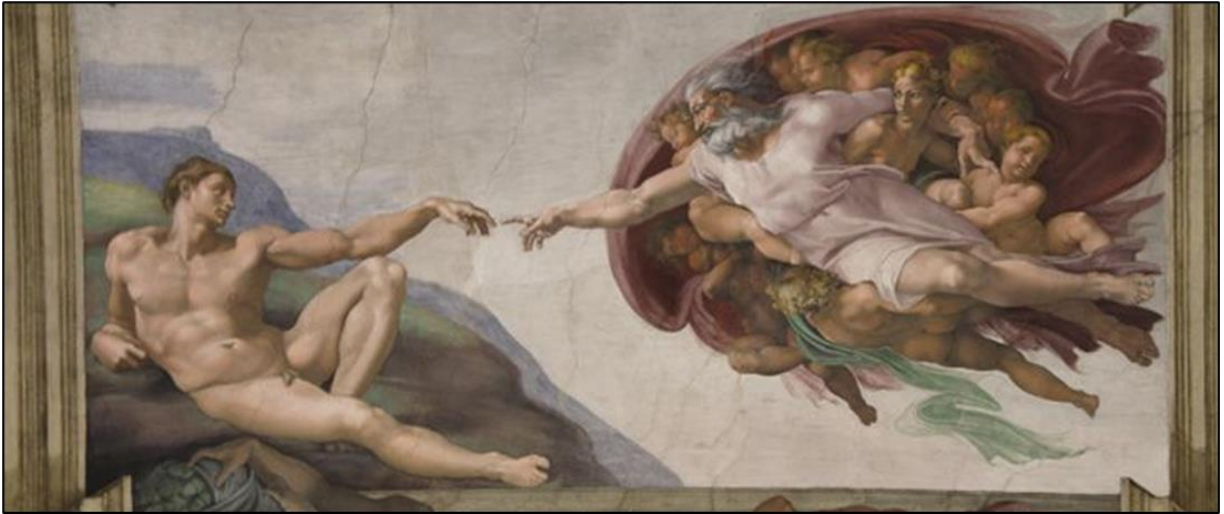

You Have 5 Primary Appendages (Legs, Arms, & Head). **Your** Legs Culminate with 5 Toes, **Your** Arms Culminate with 5 Fingers, & **Your** Head Culminates with 5 Primary Senses (Touch, Taste, Hear, See, Smell). In the Hindu *Mahabharata* Epic, **Your** 5 Primary Senses are Personified as the Pandavas, who were Married to the same wife; Draupadi (**Venus**), the Most Beautiful Woman in the Kingdom. She is one of the 5 Virgins of Hinduism (All Personifications of **Venus**) & She has 5 Children (one from Each Brother).

Your Five-Fold Form is also Captured within the **Format** of Various Religions. **Venus** (Ruler of Taurus) is enshrined as the Semitic El (Ruler of the 5 Books of Torah). She (Ein Sof) (**Venus**) is found within the 5 Worlds of God Consciousness in the Kabbalah, & the Tzelem Elohim (the Soul Enclothed within the Body as a Reflection of the Divine **Form**) is the Spiritual Mold of Man's Physical Form, Linking his Body & Soul. She is the Presiding Archetype of the 5 Yamas (Vows) in Jainism. Her Motif is also Embedded within the 2-Horned, 5-Clawed Chinese Imperial Dragon, worn only by the Son of Heaven (the Emperor). **Venus** is also Found as the Star Tablet of the Bab & the House of Friday Prayers (**Venus** Rules Friday).

Her Most Malefic **Form** is that of the Baphomet (Inverted Pentagram with Superimposed Goathead), **Venus** Exalted (Age of Pisces, **Saturn** in His House of Joy). **Venus** (the Lesser Malefic) Coupled with **Saturn** (the Greater Malefic) in the House of Pisces (Hell) (the Feet) Corrupt the Mind & Extol the 5 Senses.

"That Subtle Self is to be Known by Thought there where Breath has Entered Fivefold, for every Thought of Men is Interwoven with the Senses, & when Thought is Purified, then the Self Arises." – Mundaka Upanishad

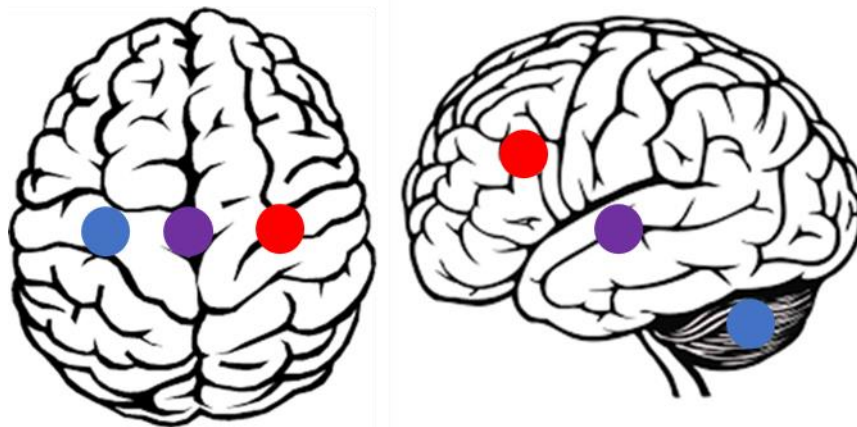

YOUR BRAIN

In 1990 AD, Physician Frank Meshberger Published a Paper in the Journal of the American Medical Association Deciphering Michelangelo's Imagery with the Stunning Recognition that the Depiction of God Creating Adam was a Perfect Anatomical Illustration of the Human Brain in Cross Section.

The Fractals within **Your Brain** are Manifold & Captured within the Myriad of Religions. Overall, **Your Physical Brain** is **Masculine**, while the Spiritual **Mind** Contained within is **Feminine**. **Your Brain** is Trisected into the Cere**brum** (the **Ram**), the Cere**bral** Stem (the **Falcon**), & the Cere**bellum** (the **Bull**).

Behold Cerberus! (**Your** 3-Headed Dog with a Serpent Tail (**Your** Cere**bral** Spinal Cord)) Guarding the Gates of Hell & Preventing the Dead (**You**) from Leaving the Underworld (Depths of the **Earth**). This 12th (Last) Labor of Heracles/Hercules (**You**) Requires the Help of **Hermes** (the Guide of the Underworld).

The Hell Hound has **You** Bound to the Chair of Forgetfulness.

YOUR FORE-BRAIN & CEREBRAL CORTEX

Your Cerebrum is the Largest Part of Your Human Brain. It is Divided into Two Cerebral Hemispheres, Each Containing Four Lobes. Your Brain (4-Lobed) is Brahma (4-Headed) & he should be Married with Your Heart (4-Chambered). Your Brain is Abram/Abraham who Sacrificed a Ram in the Thicket, & then Settled in Paddan Aram (The Field of Aram). Your Brain Holds the Atash Bahram (Victorious Fire).

"Self, is placed in the Ether, in the Heavenly City of Brahman (the Heart)." – Mundaka Upanishad

"...at the first Zeus [Light], the cloud-gatherer [Cerebrum], begat Dardanus [Heart], & he founded Dardania, for not yet was sacred Ilios builded in the plain to be a city of mortal men, but they still dwelt upon the slopes of many-fountained Ida [Pineal]." – Homer's Iliad

CEREBRAL CORTEX

Your Cerebral Cortex is the Outer Layer of Grey Matter, Covering the Core of White Matter. It is the Clouds that All Saviors Return Upon. When You have "Brain Fog" You Experience a Clouding of Consciousness.

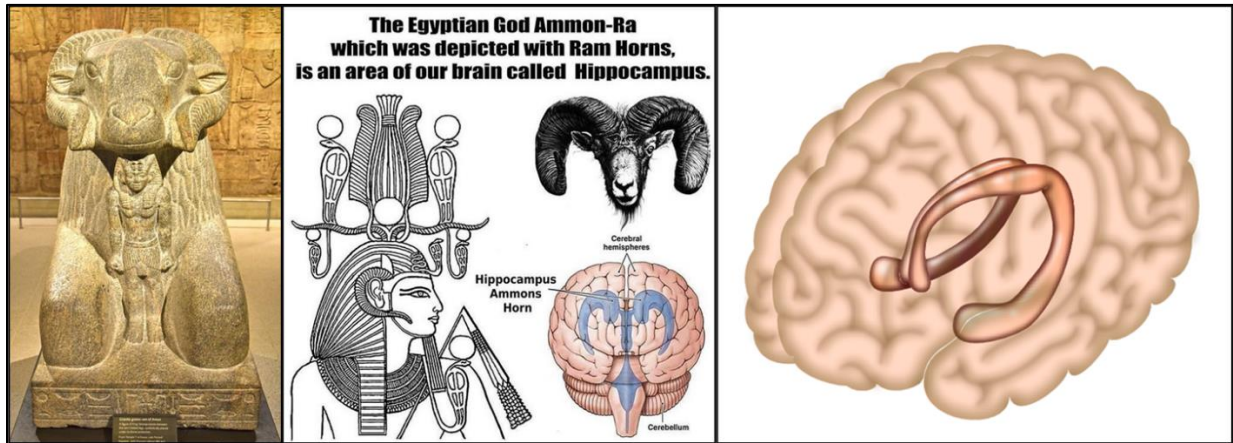

When Brahma Created the World, Clouds Sprang Up in the Lineage of King Pushkaravarata. In Pure Land Buddhism, the Abode of Coming Maitreya Buddha is the Sacred "Red Cloud Golden Peak" Fanjingshan (Mountain of the Pure Land of Brahma).

"But I [Jesus] say to all of you, from now on you will see the Son of Man sitting at the right hand of Power & coming on the Clouds of Heaven." – Jesus Faces the Sanhedrin, Matthew 26:63-64

"Behold, He [Jesus] is coming with the clouds, & every Eye will see him, even those who pierced him, & All Tribes of the Earth will Wail on account of him. Even so. Amen." – Revelation 1:7

In Norse Mythology, Odin, Vili & Vé fashioned the Earth from Ymir's flesh, from his blood the ocean, from his bones the mountains, from his hair the trees, from his brains the clouds, from his skull the heavens, & from his eyebrows the middle realm in which mankind lives, Midgard.

YOUR HIPPOCAMPUS

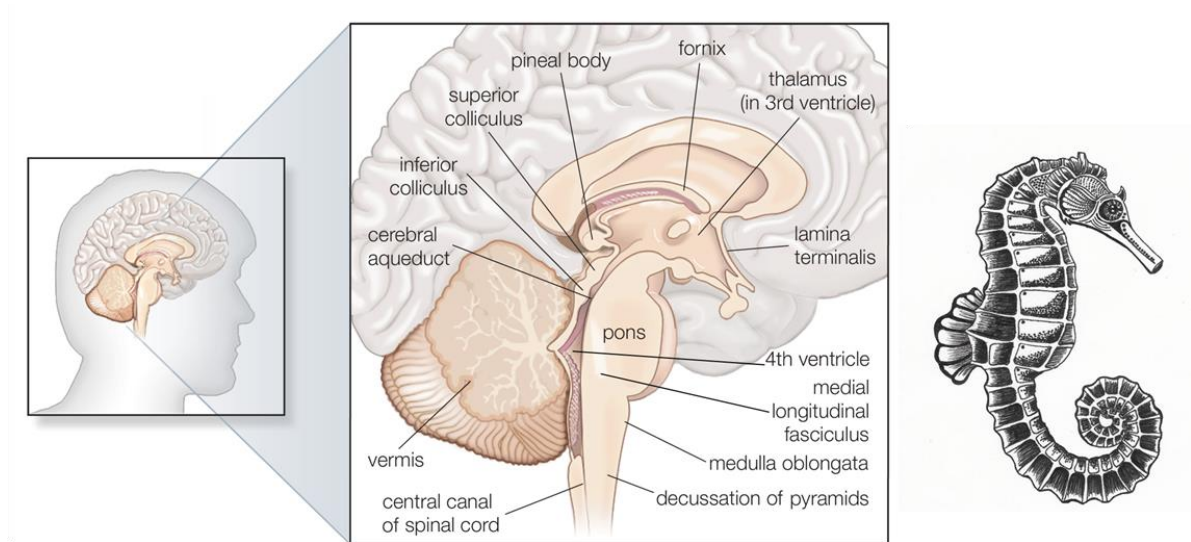

A Double-Fractal Exists Between **Your** Cerebrum (Large **Ram**/Clouds) & **Your** Hippocampus (**Ram**'s Horn). **Your** Hippocampus Proper was Initially Known as Cornu Ammonis (Ammon's Horn). It has **Four** Regions which **Form** the Trisynaptic Neural Circuit, it being Composed of Granule Cells & **Pyramidal** Neurons.

In Egyptian Mythology, Ammon (Am, Amon, Amoun, Hammon, Amun, Amen) was the God of the **Sun** & **Air** (**Ra** & **Re**), **Life**, & Fertility. Amun, whose Name Means "The Hidden One," was the Supreme Creator God & Considered the King of the Gods. After the Hyksos Rebellion (c. 1540 BC), Amun was Combined with **Ra** (**Sun**) as Amun-**Ra**, whom the Egyptians Referred to as "One One" & "No Second." When Egypt Conquered the Kingdom of Kush (c. 1500 BC) it Identified the Kushite Chief Deity **Atum** as the Egyptian Amun-**Ra**. Atum was **Ram**-Headed (a Woolly **Ram** with Curved Horns). Amun became associated with the **Ram** arising from the aged appearance of the Kush **Ram**, & depictions of Amun had small **Ram**'s Horns, Known as the Horns of Ammon. The Phoenicians of Carthage (c. 500 BC) Worshipped Ba'al Hammon. The Greeks under Alexander the Great Identified Ammon as Zeus-Ammon. In Judaism, he is Ham (the Father of Kush), & the Namesake of the Ammonites (Children of Ammon) - Modern Jordan.

In Christianity, **You** are the Very Reason that ALL Prayers End with **AMEN**, & why the Last Word in the New Testament is **AMEN**: "The Grace of Our Lord **Jesus** Christ be with **You** All. Amen." – Revelation 22:21

YOUR MID-BRAIN & HIPPOCAMPUS

Your Hippocampus (Sea Horse, White Horse, Sea Monster) is located within the Medial Temporal Lobes of the Cerebrum, with one Hippocampi in each Hemisphere of the Brain. **Your** Hippocampus is Responsible in Consolidation of Information from Short-Term Memory to Long-Term Memory, & in Spatial Memory that Enables Navigation, & Sleep (Soma) Frees the Hippocampus for New Memories. It contains two main interlocking parts: The Hippocampus Proper (Ammon's Horn) & the Dentate Gyrus.

The Hippocamp (Sea Horse) is a Mythological Creature which has the Upper Body of a Horse & Lower Body of a Fish. This Sea Horse is a Double-Fractal of Both the Mid-Brain/Hind-Brain & the Hippocampus. **Your** Hippocampus is a Fractal of the Constellation Pegasus (the Winged White Horse) & a Double-Fractal of the Mythological Creatures of Pegasus (the Winged White Horse) & the Hippocamp (the Sea Horse).

GOD'S WINGED WHITE HORSE

In Greek Mythology, **You** are Bellerophon (Projectile, Dart, Javelin, Needle, Arrow), the Greatest Hero "Before the Days of Hercules." **You** Captured Pegasus (Lightning) with the help of **Athena's** Charmed Bridle (the Bride is **Your Heart**).

You are Pegasus (Lightning!), the Winged White Horse of Zeus, Hercules, Perseus, & Others. **You** are Equuleus (Foal). Together, **You** are the Double-Fractal of the Little Horse (Hippocampus) & Big Horse (Mid-Brain/Hind-Brain). As Equuleus, **You** were Struck from Poseidon's Trident during the contest between him & **Athena** when deciding which would be the Superior. **You** are **Chrysaor** (Brother of Pegasus) & His Foal Celeris (Speedy), who was Given to Castor (a Twin) by **Mercury**. **You** are the Epithet Dioskouroi (Riders of White Horses) of Amphion & Zethus (Twins Sons of Zeus).

In Norse Mythology, **You** are Sleipnir (Odin's 8-Legged Grey Horse), "the Best Horse Among Gods & Men," & the Ancestor of another Grey Horse, Grani, who is owned by the Hero Sigurd.

In Hinduism, **You** are the Double-Fractal of Uchaishravas (Mid-Brain/Hind-Brain), the **Seven**-Headed (Chakras) Snow White Flying Horse Created During the Churning of the Milk Ocean, along with Turaga (a Second Horse) (the Hippocampus) Taken by the **Sun (Surya)**. **You** are the Chariot of the **Sun (Surya)**, Drawn by **Seven** White Horses (the Rainbow). **You** are the Asvins (Horse Possessors), Twins **Sons** of the **Sun (Surya)**, who Safeguard & Rescue People. **You** are Devdutt, the White Horse of Kalki, the 10th Avatar of **Vishnu (Mercury)** whom appears at the end of the Kali Yuga to Punish the Wicked, Reward the Good, & Inaugurate the Satya Yuga of Sacrifice & Dharma.

In Buddhism, **You** are the White Horse Kanthaka, the Royal Servant of Siddhartha, who became the Buddha. **You** were Used in all Major Events Prior to His Renunciation of the World.

The Origin of the River is in the Mountains of Tibet, & it is believed that "the river was created by the Power of Lord Buddha who separated the Himalayan Mountains, allowing the water reserved at the top of the mountain to flow down & become the main stream for humankind." The Footprints of the Lord Buddha in his various lifetimes are enshrined in the Mekong River. Moreover, the river is a place which the Lord Buddha travelled to drink & bathe before Nirvana.

THE UNICORN

Your Mid-Brain/Hind-Brain (Big Horse) & Hippocampus (Little Horse) are also Fractals of the Fabled Unicorn, with its Spiraling Single Golden Horn Protruding from its Forehead. The Unicorn is a Symbol of Purity & Grace, & an Extremely Wild Forest Creature which can only be Captured by a **Virgin (Virgo, Earth, Your Heart)**. The Mythical Unicorn is Found on Seals at Mohenjo-Daro & on Mesopotamian Tablets. One Particular Sumerian Seal Depicts Enki (**Earth** Lord) with a Unicorn Under His Foot, Synchronous of the Piscean Portion of the Heavens (Pisces Rules the Feet), which Contains Pegasus & Equuleus, & the Later Monoceros (Unicorn) Placed on the Celestial Equator Behind Orion (God).

King David, while still a Shepherd, mistook its Horn for a Mountain & climbed it, & then the Re'em got up, carrying David up to the Heavens. He prayed to God to save him, so a Lion (Heart) passed in front of the Re'em. As the Re'em bowed down to the King of Beasts, David Climbed off but was threatened by the Lion. He prayed again, & an animal passed by so the Lion could chase it & leave David unharmed.

THE FALCON

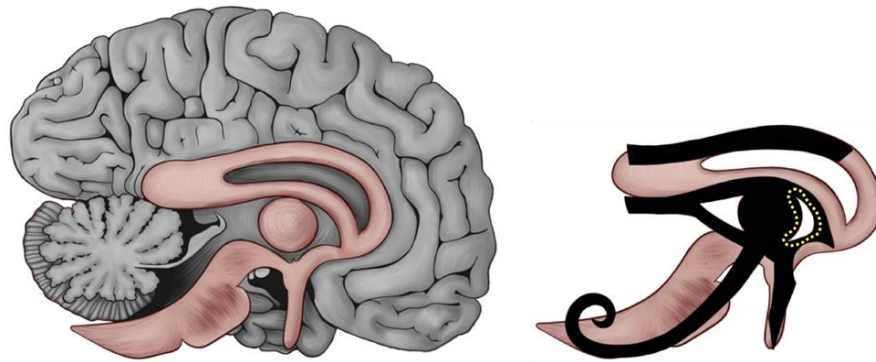

Throughout Mesopotamia, **Your** Mid-Brain/Hind-Brain was Fractally Perceived as a Crested Falcon (King of Birds) or Eagle on a Perch (**Your** Brain Stem). This Motif Stretched from Egypt, Through Sumer, & can even be seen on Ancient Seals at Mohenjo-Daro, which Feature the Arrow, Two Fish, & Unicorn.

In Sumerian Mythology, the Symbol for the God Zababa (King of Battles) was the Eagle-Headed Staff. Ur-Zababa is Listed in the **Fourth** Dynasty of Kish & Usually Given a Reign of **400** Years (Both Metaphors for **You** to Balance **Your Heart**). In Egyptian Mythology, The Falcon & Perch was a Symbol of Horus & is Found on the Dendera Zodiac over Gemini (Twins). The Hieroglyph for the Name of Horus (Her, Heru, Hor, Har) was a Falcon & He was Depicted with a Falcon's Head. Horus (The Distant One) was Worshipped Throughout the Egyptian Timespan (Ancient Egypt – Roman Egypt) & His Falcon Symbol is Depicted of the Narmer Palette (c. 3100 BC). The Roman Author Claudius Aelianus (c. 175 – 235 AD) wrote that Egyptians called the God Apollo (God of the Sun & Light) 'Horus' in their own language.

Horus was the Tutelary Deity of Nekhen (Red Mound), the Religious & Political Capitol of Prehistorical Upper Egypt, & the Center of the Cult of a Hawk Deity, Horus of Nekhen (Nekheny). YOUR CORPUS CALLOSUM & CORPORA QUADRIGEMINA

Your Corpus Callosum (Tough Body/Giant Body) is the Largest White Matter in **Your Brain**. It is a Wide, Thick Nerve Tract, Consisting of a Flat Bundle of Commissural Fibers, Beneath the Cerebral Cortex (the Clouds/Ram/Sheep Wool). It spans part of the Longitudinal Fissure & Connects the Left & Right Cerebral Hemispheres, which Enables their Communication. The **Four** Main Nerve Tracts are the Rostrum (Bird Beak), Genu (Knee), Trunk/Body, & Splenium (Bandage). Together, the Trunk & Splenium are Known as the Tapetum & a Narrow Portion Between them is the Isthmus (Neck). The Corpus Callosum is the **Medium** of the 'Interhemispheric Electrical Storm' During an Epileptic Seizure.

Your Corpora Quadrigemina (Part of the **Mid-Brain**) Connects the **Fore-Brain** & **Hind-Brain**, & sits Directly Inferior to the **Pineal** Gland. It is Composed of the Superior Colliculus & Inferior Colliculus. The Colliculus as a whole is thought to help orient the head & eyes toward something seen & heard. The Colliculi are Separated by the Cruciform Sulcus.

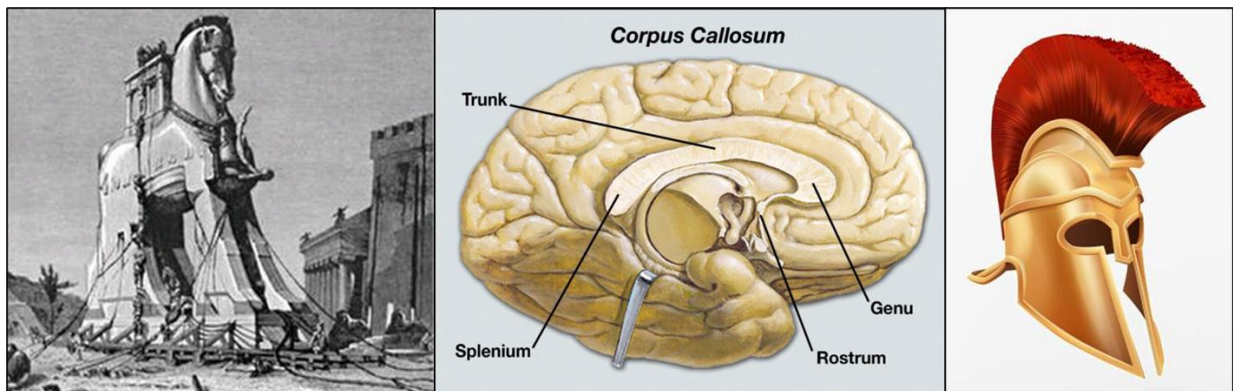

Your Superior Colliculus (Upper Hill) (Optic Lobe) is Located on the Roof of **Your Brain**. It Sits Below the Thalamus & Surrounds the **Pineal** Gland. It is Composed of Columns of Honeycomb-like Structure, & the Dominant Structure that Receives Input from the Eyes & plays the Primary Role in Eye-Movement. It is involved in Generating Spatially Directed Head Turns, Arm-Reaching Movements (Gemini Rules the Arms), & Shifts in Attention that do not involve any Overt Movements. **Your** Inferior Colliculus (Lower Hill) is the Principal **Mid-Brain** Nucleus of the Auditory Pathway.

THE CYCLOPS

In Greek Mythology, the Structures of the **Mid-Brain** (Corpus Callosum, Corpora Quadrigemina, & **Pineal** Gland) are the Fractal Motif of the Mythological Cyclopes (Circuit Eye). Homer's *Odyssey* (c. 800 – 701 BC) Located the Cyclopes on Sicily (the Largest Island in the Mediterranean Sea), while Callimachus (c. 310 - 240 BC) Located the Cyclopes on Lipari (Largest of the Aeolian Islands in the Tyrrhenian Sea). This Method of Location is also Applicable to the Colossus of Rhodes (the Largest of the Dodecanese Islands in the Aegean Sea).

Callimachus' (c. 310 – 240 BC) *Hymn to Artemis* adds that the Cyclops also made the Bows & Arrows used by Apollo & Artemis. In Virgil's (70 – 19 BC) *Aeneid*, the Cyclopes Forge a Chariot for Mars & the Aegis (Shield) of Athena. The Cyclopes Built the first Altar upon which Zeus & the other gods swore alliance before their War with the Titans. The Constellation Ara (Alter) is Located on the Galactic Ecliptic Very Near the Descending Galactic Center (Scorpio's Tail).

Pausanias (110 – 180 AD) said that the "Altar of the Cyclopes" was on the Isthmus of Corinth at a place Sacred to Poseidon, where Sacrifices were offered to the Cyclopes. In Homer's *Odyssey*, Odysseus Encountered the Cyclopes Polyphemus (Son of Poseidon), who is Blinded by a Spear & Walked to the Shore Using a "Lopped **Pine Tree**" as a Walking Staff. In the Mythology of Theseus & His Six Labors, there is an Isthmian Entrance to the Underworld which the Bandit Sinis (Sin), Called Pityokampes (He Who Bends **Pine Trees**) (**Your Pineal**) captured travelers, tied them between two **Pine** Trees that were bent down to the ground, & then let the trees go, tearing his victims apart. These Isthmus' are all Fractal Metaphors for the Isthmus in **Your** Corpus Callosum.

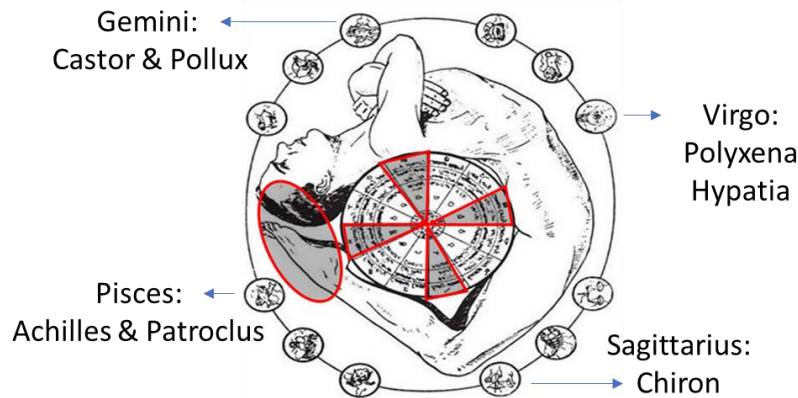

YOUR CORPORA QUADRIGEMINA

Castor & Pollux aspired to marry the Leucippides (Daughters of the White Horse), Phoebe & Hilaeira, whose father was Leucippus (White Horse). Both women were already betrothed to cousins of the Dioscuri, the Twin Brothers Lynceus & Idas of Messenia. [Alexandria]: Alexander the Great Built Alexandria (the City for the Setting of Hypatia)

POSEIDON'S QUADRIGA

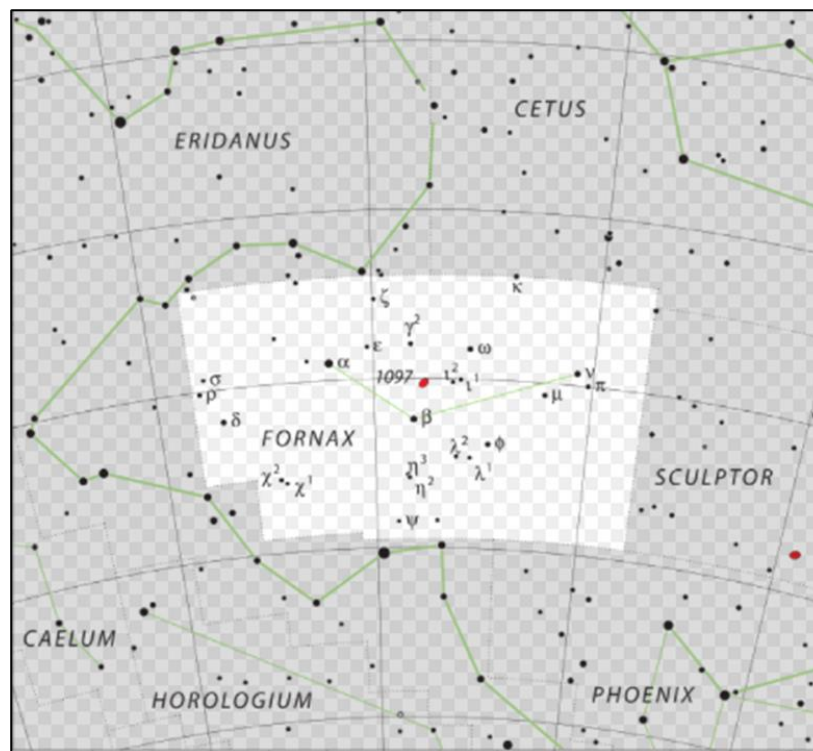

Your Corpora Quadrigemina is the Mythological Motif for the Quadriga (the Horse Chariot of Poseidon).

ST ELMO'S FIRE

The Fractal Physical Manifestation of **Your** Internal Process of Ascension is Called St. Elmo's **Fire** (a Luminous Plasma Created by a Coronal Discharge) from a Rod-Like Structure (a Mast or Animal Horn) in an Atmospheric Electrical Field. St. Elmo & Castor & Pollux are the Patron of Sailors. It is the Hippocoon (**Your** Hippocampus) in the *Aeneid* whose Arrow Missed the Target Dove & Struck the Mast. In fact, **You** are all Five Hippocoon's from Five Individual Greek Stories).

MESOPOTAMIA

In Sumerian Mythology, **You** are the Paired Sacred Symbols of Zababa (an Eagle-Headed Staff) & Nergal (a Lion-Headed Staff) on the Entitlement Stone. In Assyrian Mythology, **You** are the Big Twins & the Little Twins (who Hold Lightning & Whip). In Babylonian Mythology, **You** are the Great Twins, Lugal-irra (The Mighty King) & Meslamta-ea (The One who has arisen from the Underworld). Both names are titles of Nergal, King of the Underworld.

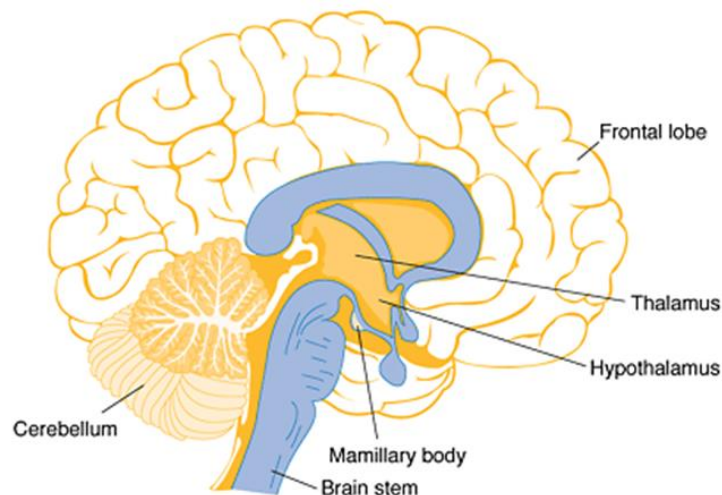

YOUR FORNIX

The Fornix (Arch) is a C-Shaped Bundle of Nerve Fibers in the Brain that Acts as the Major Output Tract of the Hippocampus. It is Composed of the Crus (Cross) of the Fornix, Septum Pellucidum (Translucent Wall), Psalterium (Lyra Davidis), Anterior & Posterior Pillars, & Fornicolumns.

Fornax (Furnace) is a Southern Constellation Located in the Bend of the Eridanus. In Egyptian Mythology, it is Synchronous with the Lake of **Fire** in the Great Bend of the River (Eridanus). In Christianity, it is Known as the Lake of **Fire** (Hell). In Both the Ancient Egyptian & Christian Religion it is a place of After-Death

Punishment for the Wicked. In Egyptian Coffin Texts the Lake of **Fire** is Mentioned as the Fifth Hour (or House) & in Christianity it is Mentioned Five Times During the Book of Revelation.

In the Old Testament Book of Daniel, Fornax is Synchronous with the **Fiery** Furnace, Heated Seven-Times Hotter than Usual, in which King **Nebu**chadnezzar threw Shadrach, Meshach, & Abednego. It also Corresponds with the Old Testament Story of Zarephath (the Widow & Her Oven) & the Widow's Oven of Babylonian Star Lore. In the Ancient Roman Religion, Fornax was the Divine Personification of the Oven. Her Festival was Held on 17 February (Zenith of Orion) & was Related to the Proper Baking of Bread.

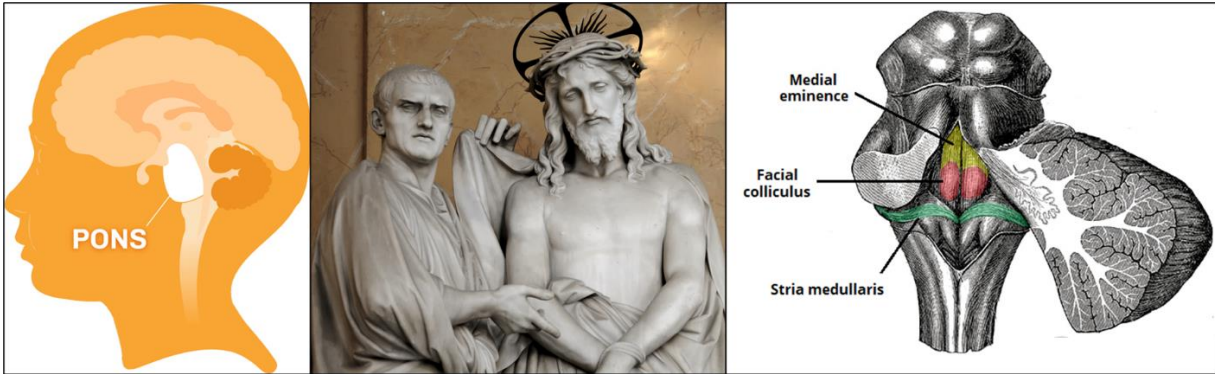

YOUR THALAMUS

Your Thalamus (Chamber) is a large mass of gray matter that Surrounds the **Third** Ventricle. It is located just above the Brainstem, in the dorsal part of the diencephalon (a division of the forebrain). Nerve fibers project out of the thalamus to the cerebral cortex in all directions, allowing hub-like exchanges of information. It has several functions, such as relaying of sensory signals, including motor signals to the Cerebral Cortex & the Regulation of Consciousness, Sleep, & Alertness.

In Plato's dialogue, Phaedrus, Socrates Told a Parable of Thamus (King of Upper Egypt) who Worshipped Ammon (**Your** Horn of Ammon). It is the God Theuth (Thoth) (Thought) who Came to King Thamus (**Your** Thalamus) with the Art of Writing, & to which the King Responded;

"O most ingenious Theuth, the parent or inventor of an art is not always the best judge of the utility or inutility of his own inventions to the users of them. & in this instance, you who are the father of letters, from a paternal love of your own children have been led to attribute to them a quality which they cannot have; for this discovery of yours will create forgetfulness in the learners' souls, because they will not use their memories; they will trust to the external written characters & not remember of themselves. The specific which you have discovered is an aid not to memory, but to reminiscence, & you give your disciples not truth, but only the semblance of truth; they will be hearers of many things & will have learned nothing; they will appear to be omniscient & will generally know nothing; they will be tiresome company, having the show of wisdom without the reality."

YOUR PONS

Your Pons (Bridge) is Part of the Brainstem (**Mid-Brain**) & Includes Neural Pathways & Tracts that Conduct Signals from the Brain down to the Cerebellum & Medulla, & Tracts that carry the Sensory Signals up into the Thalamus. The Pons contains nuclei that relay signals from the Forebrain to the Cerebellum, along with nuclei that deal primarily with Sleep, Respiration, Swallowing, Bladder Control, Hearing, Equilibrium, Taste, Eye Movement, Facial Expressions, Facial Sensation, & Posture. It also Regulates the change from inhalation to exhalation, & is implicated in sleep paralysis, & plays a role in Generating Dreams.

In Christianity, the Character of Pontius Pilate (the Pilate of the Bridge of Judgement) is Synonymous with **Your** Pons. Pontius Lived in Caesarea, Presided Over the Trial of Jesus Christ (JC), & Ordered His Execution. Remember, it is Pontius' Wife who tells him not to interact with Jesus after she has had a Disturbing Dream (Matthew 27:19). Pontius is also an Epithet for "Skilled with the Javelin" which is an Astrological Metaphor for the Tip of Sagittarius' Spear & the Tip of the Scorpion's Tail, which Point to the Galactic Center in which **You** Descend & Lose Consciousness During the Course of the Great Year. It is Pontius that is the Roman Governor of Judaea, & it is Judas (Scorpio) who Betrays Jesus with the Kiss of Death.

In Roman Mythology, **Your** Pons is Pontius Aquilla (the Constellation Aquilla is in Scorpio), one of the Assassins of Julius Caesar (JC). Remember, Aquilla did not Rise & Pay Tribute to Julius. Afterwards, Julius would not make a promise to anyone without adding, "That is, if Pontius Aquilla will allow me."

In Zoroastrianism, **Your** Pons is The Chinvat Bridge (Bridge of Judgement) (Beam-Shaped Bridge) (Bridge of the Requirer). It is the Sifting Bridge which separates the world of the living from the world of the dead. All souls must cross the bridge upon death. The bridge is guarded by two **Four**-Eyed Dogs.

In Greek Mythology, the Functions of **Your** Pons is Synonymous with Charon, the Ferryman Over the River Styx (Hate), which Divided the World of the Living from the World of the Dead. In Mesopotamian Mythology, **Your** Pons is Urshanabi (the Ferryman of the Hubur, River of the Dead), whose later Assyrian incarnation was Hamar-Tabal (a Horrible Monster).

"In him the heaven, the earth, & the sky are woven, the mind also with all the senses. Know him alone as the Self, & leave off other words! He is the bridge of the Immortal." – Mundaka Upanishad, Second Khanda

YOUR MEDULLA

Your Medulla Oblongata is a Long Stem-like Structure which makes up the lower part of the Brainstem. The Medulla is Responsible for Autonomic (Involuntary) Functions, & Contains the Cardiac, Respiratory, Vomiting & Vasomotor Centers, & therefore deals with the Autonomic Functions of Breathing, Heart Rate & Blood Pressure as well as the Sleep-Wake Cycle. The Medulla & Parts of the Limbic System are the Source of Anger & Aggression (Rage) in Humans.

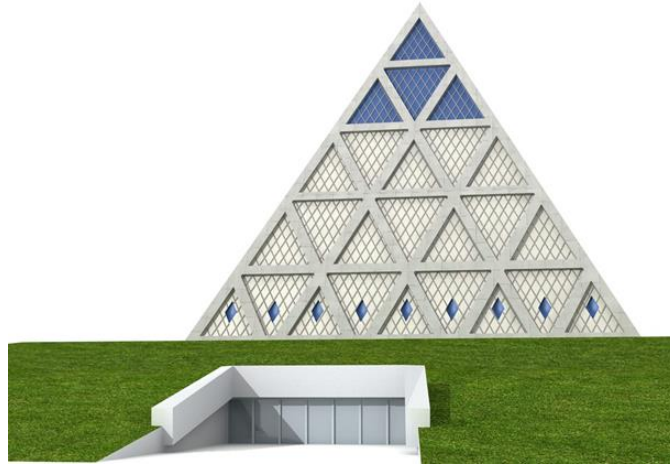

In Greek Mythology, **Your** Medulla is Synonymous with the Story of Medusa & Perseus, to include the Variants of Medus & Perses, & even the Relationship of Hades (Hate) & Persephone. Medusa (Guardian/Protectress), also Called Gorgo (Monster), is the Snake-Headed Woman in which a Gaze into Her Eyes would Turn a Man into Stone. When Perseus beheaded her, Pegasus (the Winged White Horse) & Chrysaor (a Giant Wielding a Golden Sword) (the Orion Constellation) Sprang from her Body. Homer's Odyssey does not mention Medusa, but instead:

*"Lest for my daring Persephone the dread,
From Hades should send up an awful monster's grisly head."*

In the Greek Myth of Medus & Perses (an Alternate Inversion of Medusa & Perseus), it is Medea (Wife of King Aegeus) who Kills Persus (Brother of King Aeetus & Uncle of Medus) in order to Free her Imprisoned Son, Medus (Son of King Aegeus). Medus thus came to rule, & when he conquered a neighboring land it was named Media (Northwestern Iran) in honor of either Medus or Medea. We should note that the Famous Magi were a Tribe of the Medes. It should also serve for Particular Interest to the Reader that the Medes were Conquered by the Persians (a third, yet actual retelling of; Medus & Persus, Medusa & Perseus, Medes & Persia).

In Judaism, **Your** Medulla is Madai (a Son of Japheth & one of the 16 Grandsons of Noah in the Book of Genesis. Biblical Scholars have generally identified Madai with the Iranian Medes.

Madai is also the name of the deified ancestor of the Kachin people of Myanmar, according to the indigenous Kachin religion.

YOUR OLIVARY BODIES

Your Olivary Bodies (Olives) are a pair of prominent oval structures that lay beside the Medullary Pyramids in the Medulla Oblongata. They contain the Olivary Nuclei, which consist of two parts; the Inferior Olivary Nucleus which is involved in cerebellar motor-learning & function; & the Superior Olivary Nucleus which aids the perception of sound.

"You shall charge the sons of Israel, that they bring you clear oil of beaten olives for the light, to make a lamp burn continually." – Exodus 27:20

"... What are these two olive trees on the right of the lampstand & on its left?" – Zechariah 4:11

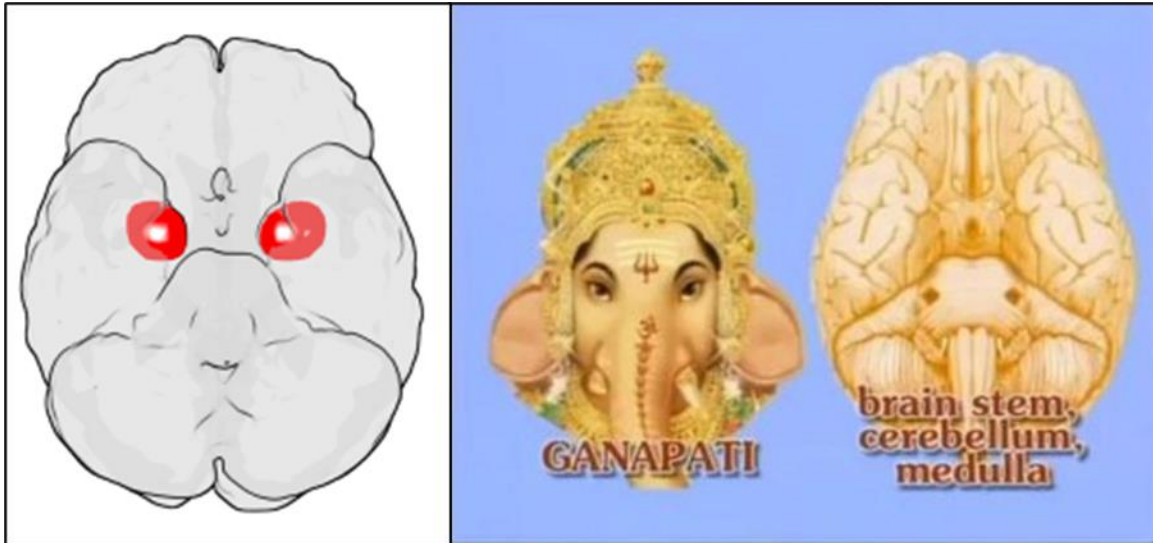

"These are the two olive trees & lampstands that stand before the Lord of the earth." – Revelation 11:4

"... I am like a green olive tree in the house of God; I trust in the lovingkindness of God forever & ever." – Psalm 52:8 (528 Hz = **Love**)

The Mount of Olives (Mount Olivet) is a Mountain Ridge East of Old Jerusalem, which has been used as a Jewish Cemetery since Biblical Times. Early Christians decorated their tombs with olive branches as a sign of the Victory of Life over Death. Several Key Biblical Events (Old & New Testament) took place on the Mount of Olives, such as the Ascension of David "who wept as he went up." Jesus was Praying in the Garden of Olives, Gethsemani (Olive Press) when he was taken Prisoner, & it was at the Mount of Olives where Jesus (like David) Ascended to Heaven.

The Olive Tree is Revered in Greek Mythology, which credits Athena (Daughter of Zeus) for bringing it to the city of Athens. According to Legend, whichever god gave the people of Greece the most esteemed gift would earn the right to name their most important city. In return for the Gift of Olives, Athena was granted the right to name the city after herself. The Parthenon was built in Athena's honor.

A Dove brought an Olive Branch back to Noah as a sign that the Flood was over, & the Olive Tree came to Symbolize Peace & God's Reconciliation with Man. In 2006, the Palace of Peace & Reconciliation was Completed in the City of Astana (an Anagram for Satan), Kazakhstan, in order to House the Triennial Congress of Leaders of World & Traditional Religions.

YOUR AMYGDALA

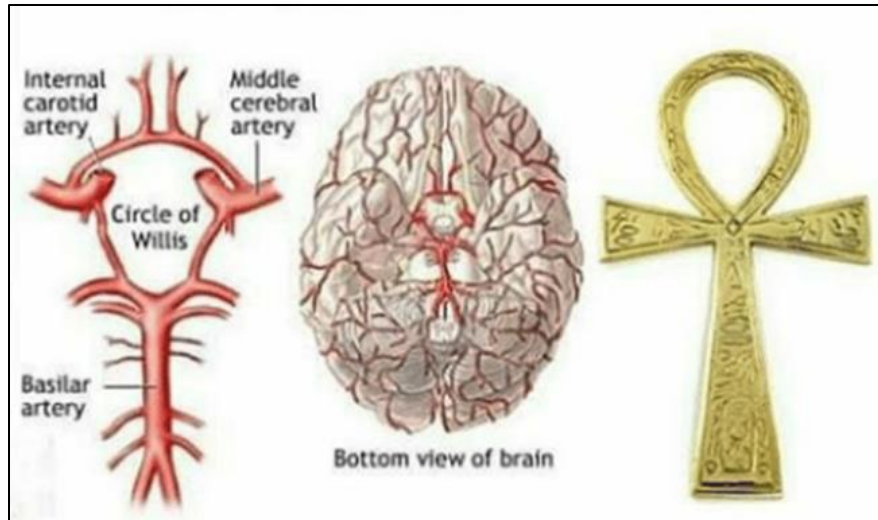

Your Amygdala (Almond) is one of two Almond-Shaped Clusters of Nuclei located deep within the Temporal Lobes of the Brain's Cerebrum. It performs a primary role in the Processing of Memory, Decision-Making & Emotional Responses (including Fear, Anxiety, & Aggression).

Almonds (“Watcher”) are Mentioned Six Times, & only in the Old Testament. In Genesis 43:11, Jacob (later Israel), in an attempt to curry favor with the King of Egypt, ordered his Sons to take some of the best products of the land, to include Almonds. The best-known reference to the Almond is Aaron's Rod that budded (Numbers 17). This is miraculous because the flowering, budding, & fruiting of the Almond in Nature are always separated in time. The Almond Motif was part of the Divine Design for the Lampstand in the Tabernacle (Exodus 25:33-34, 37:19-20). Moses was instructed to make the Bowls of the Lampstand in the Shape of the Almond Flower.

“The word of the Lord came to me: What do you see, Jeremiah? I replied: I see a rod of an almond tree. The Lord said to me: You have seen right, for I am watchful to bring My word to pass.” - Jeremiah 1:11

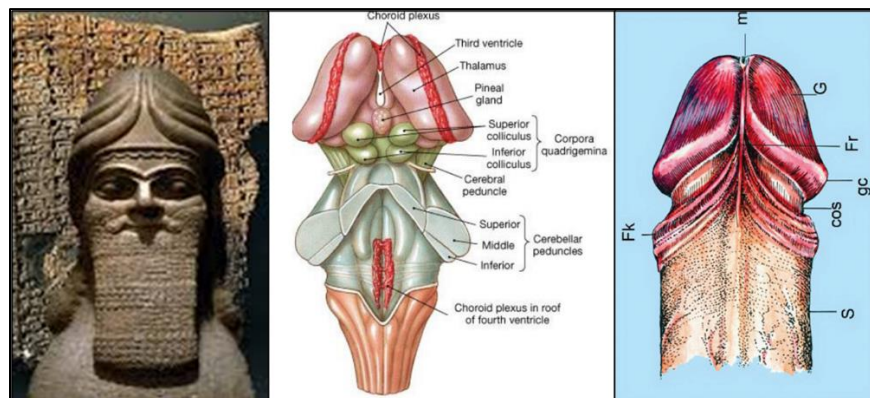

The Almond is not Mentioned in the New Testament. However, in Christianity, the Almond signifies Divine Favor & Approval, & the Purity of the Virgin.

In Nature, the Elephant is Renowned for its Memory, & in Hinduism, **you** find that Lord Ganesha (the Elephant-Headed God) is an Esoteric Synchrony with **Your** Brain (Axial Plane), with the Amygdala (Almonds) as His Almond-Shaped Eyes. He is widely revered as the Remover of Obstacles, the Patron of Arts & Sciences; & the Deva of Intellect & Wisdom.

YOUR CIRCLE OF WILLIS

Your Circle of Willis is a circulatory anastomosis that supplies blood to the brain & surrounding structures. The Egyptian Ankh (a Symbol for Life) is a Fractal Manifestation of the Circle of Willis.

YOUR MID-BRAIN (CORONAL POV) & MALE GENITALIA

Your Mid-Brain is the Second Hermaphroditic Fractal of Human Genitalia (the Third Fractal Being the Pineal & Pituitary Glands). Notice that in the **Mid-Brain**, just Under the Thalamus is the Pineal Gland (**Your** Third Eye) which Corresponds with **Your** Penile Glans (Acorn). This Fractal Knowledge is Seen in the Sumerian Mythology of the Anunaki, who Wore a **Triple**-Flanged Penis Helmet, in order to Disclose that God (**Light**) is both Born from **Physical** Sperm (a Fractal of **Light**) & **Spiritually** of the **Mind** (Specifically, the **Mid-Brain**, which Hosted the Pineal & Pituitary Glands).

In Egyptian Mythology, **Your Mid-Brain** is the Missing Penis of Osiris (**Your Spiritual** Penis) & the Very Same that Gave Birth to Horus (the **Sun**). Notice that the **Third Ventricle** (**Your Spiritual** Orgasm) Corresponds with the Male Urethra, Used for Ejaculation (**Your Physical** Orgasm).

YOUR PINEAL

*"If Thine Eye be Single, Thy Body Will Be Full of **Light**."* – Jesus, the Christ

The Pineal Gland (Conarium, or Epiphysis Cerebri) is a Small Endocrine Gland in the **Mid-Brain**. It Produces Melatonin, a Serotonin-Derived Hormone which Modulates Sleep Patterns in Both Circadian & Seasonal Cycles. The Shape of the Gland Resembles a Pine Cone. The Pineal is also Known as the **Third Eye**, & René Descartes Called the Pineal Gland the "Principal Seat of the Soul". **Your** Pineal Gland Forms on Exactly the 49th Day of Gestation:

*"Hike up the **Abarim** Mountains, to Mount **Nebo**..."* – Deuteronomy 32:49 (on the Death of Moses)

On the 10th Day of the Ritual, Muslims Throw 49 Pebbles at **3** Pillars [- = +] Being a Symbolic Reenactment of Ibrahim's (Abraham's) Hajj, where he Stoned **3** Pillars Representing the Temptation to Disobey God. The Place of the Ritual is Located Where God tested Abraham's faith by commanding him to sacrifice his son Ishmael, & also where the Prophet Muhammad gave his last sermon.

In Buddhism, Gautama Mediated for 49 Days Underneath the Bodhi Tree, & became the Buddha (Enlightened One). He then Taught for 49 Years.

In Greek Mythology, "Plato was initiated into the 'Greater Mysteries' at 49 Years of Age. The initiation took place in one of the subterranean halls of the Great Pyramid in Egypt.

King Lycaon (whom dedicated the first temple to **Hermes**) had 50 Sons. Lycaon served the Flesh of Nyctimus (His Own Son) to Zeus, in Order to Test Zeus' Omniscience. In return for this Gruesome Deed, Zeus transformed Lycaon into a Wolf (Lupus Constellation) & Killed his 49 Sons with Lightning Bolts, while Nyctimus was restored to **Life**. The Constellation Ara (The Alter) represents the altar of King Lycaon of Arcadia.

King Thespius had 50 Daughters all of whom were of Marrying Age but the king was unable to find adequate suitors. When Herakles came to the city to hunt a Lion [Leo], Herakles ended up taking 49 of the 50 as Bedfellows & Impregnated all 49 over the course of 50 Days. It was King Thespius' Third Daughter, who refused to Sleep with Heracles, to which her Father Condemned her to remain a Virgin.

In Ovid's *Metamorphosis*, the Danaides (50 Daughters of Danaus) were to Marry the 50 Sons of Danaus' Twin Brother, Aegyptus (King of Egypt). 49 of the Danaides Killed (Decapitated) their Husbands on the Wedding Night & were Condemned to Spend Eternity in Tartarus (Hell) Carrying Water in a Sieve.

The Native American 49-Dance commemorates the story of a group of 50 Warriors who went to battle with only 49 returning, or conversely, with only one returning & 49 killed.

The 10 Primary Avatars of Vishnu are Found in Chapter 49 of the Vishnu Purana.

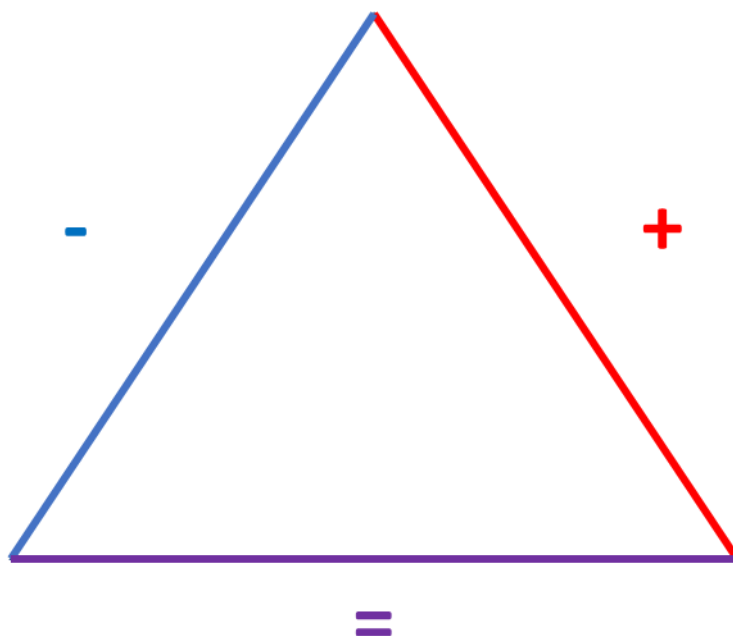

In the Hindu Puranas, the 49 Maruts were born from the Broken Womb of the Goddess Diti, after Indra, entitled Marutvant (Accompanied by the Maruts) Hurlled a Thunderbolt at Her to Prevent Her from Giving Birth to too Powerful a Son. Diti had Intended to Remain Pregnant for a Century Before Giving Birth to a Son who would Threaten Indra. Indra Used a Thunderbolt to Splinter the Fetus into Many Pieces, from which originated the 49 Marutas.

The Coptic Handbook of Ritual Power (Magic) holds the Invocation of the One Who Rules Over the 49 Serpents, Baktiotha - a Syncretic Deity of Bhakti (a Complete Devotion to God) & Thoth (God of Wisdom).

$$49 = 1 + 2 + 3 + 4 + 5 + 6 + 7 + 6 + 5 + 4 + 3 + 2 + 1$$

$$49 = 7 \times 7$$

$$49 = 7^2$$

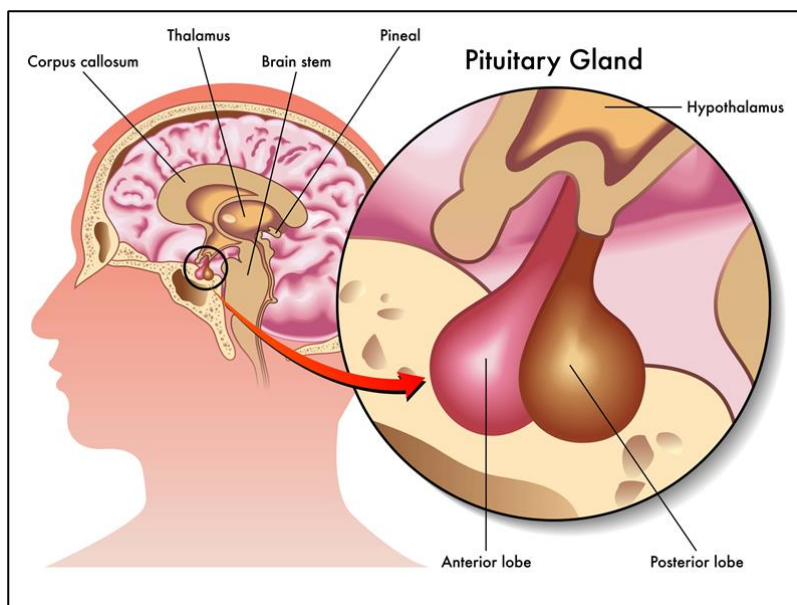

Your Pineal Gland is Composed of **3** Chambers & Contains **Light**-Sensitive Photoreceptor Cells (Cones & Rods), just as **Your** 2 Physical Eyes. For these Reasons it is Appropriately Known as **Your Third-Eye**. The Ancient Sumerians Knew **Your Pineal** as the Igigi (Watcher), which over Time Became the 'Watchers' of Enochian Lore. Just as All Ancient Cultures, **You** Will Find that **Your Pineal** is the Central Component of the Process of Ascension.

Top Left to Right: Nazca Lines, Ecuadorian Pyramid (Son of the Creator), Egyptian Benben Stone.
Bottom Left to Right: Jewish Tetragrammaton, Eye of Providence, German Valknut, Celtic Triquetra.

Can **You** See Why All Ancient Cultures Revered **Your Pineal** Gland?

YOUR PITUITARY

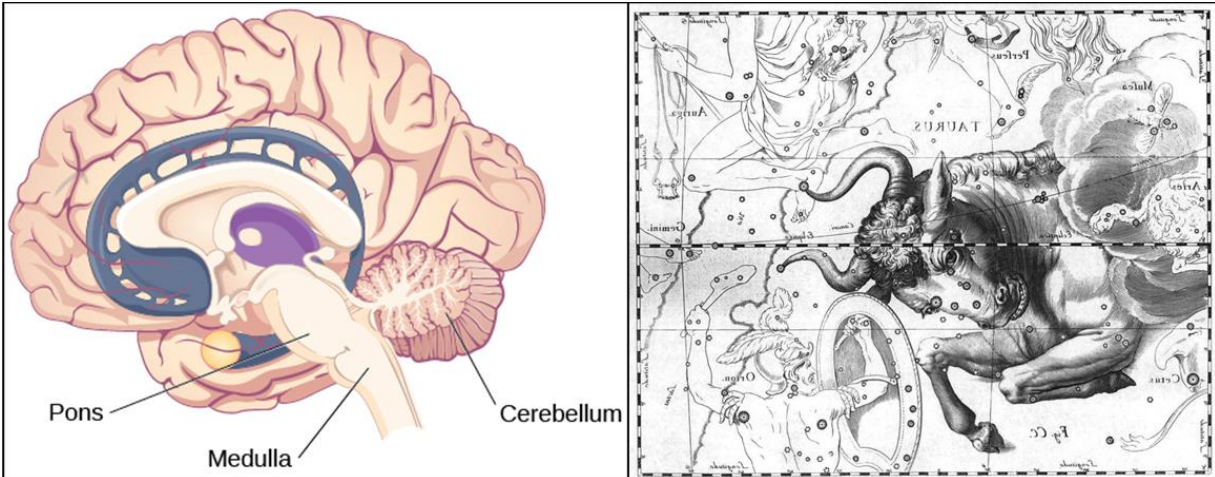

Your Pituitary (Hypophysis) is an Endocrine Gland, about the size of a pea. It is a protrusion off the bottom of the Hypothalamus at the Base of the Brain, & Rests on the Sphenoid Bone. The Pituitary Gland Secretes Hormones which Control Growth, Blood Pressure, Energy Management, All Functions of the Sex Organs, Thyroid Glands & Metabolism, as well as some aspects of Pregnancy, Childbirth, Breastfeeding, Water/Salt Concentration at the Kidneys, Temperature Regulation & Pain Relief.

The Pairing of **Your** Pineal Gland (Masculine Penile Glans) & Pituitary (Feminine) Form **Your Third** Fractal Manifestation of Male Genitalia (The First Being **Your** Physical Male Genitalia, & the Second Being Your Hermaphroditic **Mid-Brain**). These Complimentary Glands are the Anatomical Land of Milk (Pituitary is Responsible for Lactation & Sperm Production) & Honey (Pineal is Cradled within a Honeycombed Structure of the Corpus Quadrigemina). The Old Testament Mystically Encode the Pituitary Secretions as the Dew of Heaven. Remember, *“When the dew fell on the camp at night, the manna would fall with it.”* – Numbers 11:9

The Kabballah (Zohar) Encoded the Dew of Heaven. Rabbi Isaac Luria Explained how the Spiritual Dimension called *Atika Kadisha* is the Source of a “Dew” that brings about Resurrection of the Dead. He further explained that the Dew is really the **Three** letters in the **Tetra**grammaton (Yod, Hei & Vav).

Your Hind-Brain is Composed of the Medulla, Pons, & Cerebellum (Little-Brain). It has an Important Role in Motor Control. It Receives Input from Sensory Systems of the Spinal Cord & from other parts of the **Brain**, & Integrates these Inputs to Fine-Tune Motor Activity. It is also involved in some Cognitive Functions such as Attention & Language as well as Emotional Control such as Regulating Fear & Pleasure Responses.

Your Cerebellum (Your Bull) is Ruled by **Venus**. It is Composed of the Vermis (Worm), Vallecule (Valley), Uvula (Small Bunch of Grapes) & Arbor Vitae (Tree of Life). In Greek Mythology, **Your Cerebellum** Corresponds with the Story of Minos & the Minotaur. Both are Aspects of the Same Personification, where Asterion is the Foster-Father of King Minos & also the Proper Name of the Minotaur. **Your Arbor Vitae** is the Wooden Bull that Queen Pasiphaë Built in Order to Copulate with the Sacred White Bull & Conceive the Minotaur, as well as the Labyrinth (the Home of the Minotaur).

There are Many Figures Named Asterion (or Asterius) in Greek Mythology, & ALL of them are Fractals of **Your Hind-Brain (Lower Mind)**. The Bull of **Your Cerebellum** (Ruled by **Venus**) is Clearly the Motif of Asterion, one of the Potamoi (River Gods who were Depicted as a Man-Headed Bull, or a Bull-Headed Man with a Serpent Body (**Your Spine**) from the Waist Down). **You** can also Find Asterius (One of the Giants who had Snakes for Legs). This Miletus Slew another Asterius (King of Anactoria).

There was also a Greek Asterius (Son of Aegyptus), who, in Egyptian Mythology, is Menes, Founder of the First Egyptian Dynasty. The Jews Know This Mythological Character in the Book of Genesis as Mizraim (Founding King of Egypt) & Ba'al (the Beautiful Bull) (Lord). These Synchronistic Connections Become Apparent when **You** Know that the Founding of Egypt was During the Age of Taurus (the Bull).

In Buddhism, the Mother of Buddha Observed 32 Months of Abstinence & had to be Endowed of 32 Qualities. That is why Buddha had 32 Virtues.

YOUR SPHENOID

Your Sphenoid is an Unpaired Bone of the Neurocranium. It is Situated in the Middle of the Skull Towards the Front. It is One of the Seven Bones that Articulate to Form the Orbit. The body of the Sphenoid Houses the Pituitary Gland. On the Lateral Side of the Body are the Two Greater Wings & the Anterior Side are the Two Lesser Wings.

In Mythology, **Your** Sphenoid is Variouslly Seen as an Owl, a Bat, a Moth, or a Butterfly. In Greek Mythology, it is the Owl of Athena. In Roman Mythology, it is the Owl of Minerva, & the Familiar of the Pope. In Slavic Mythology, the Owl Represented the God Veles (God of **Earth** & the **Underworld**). The Egyptians Synchronized the Crown with the Sacred Scarab (Dung Beetle), which Rolls Dung into a Ball to Birth its Offspring. The Young Beetle Emerged from it Fully Formed & thus were considered to have been created from **Nothingness**. The God **Ra** is seen to roll the **Sun** Across the Sky Each Day, Transforming Bodies & **Souls**, & the Scarab was seen as a Reflection the Heavenly Cycle, & Representative of Rebirth or Regeneration.

The Egyptian God Khepri (Khepera, Kheper, Khepra, Chepri) is the Scarab-Faced God who represented the Rising **Sun** (Morning **Sun**), Creation & the Renewal of **Life**. In the same way that the beetle pushes large Balls of Dung along the Ground, Khepri moved the Newly-Born **Sun** across the Sky.

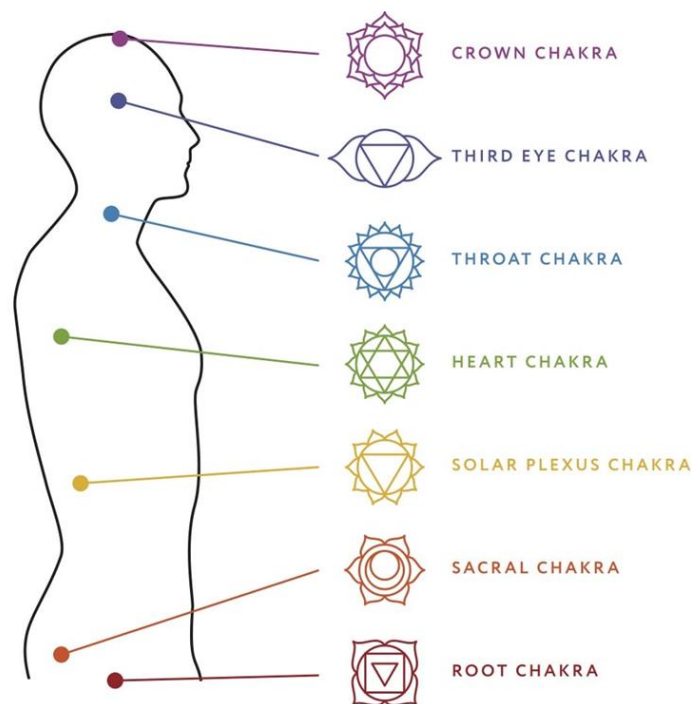

YOUR SPINE

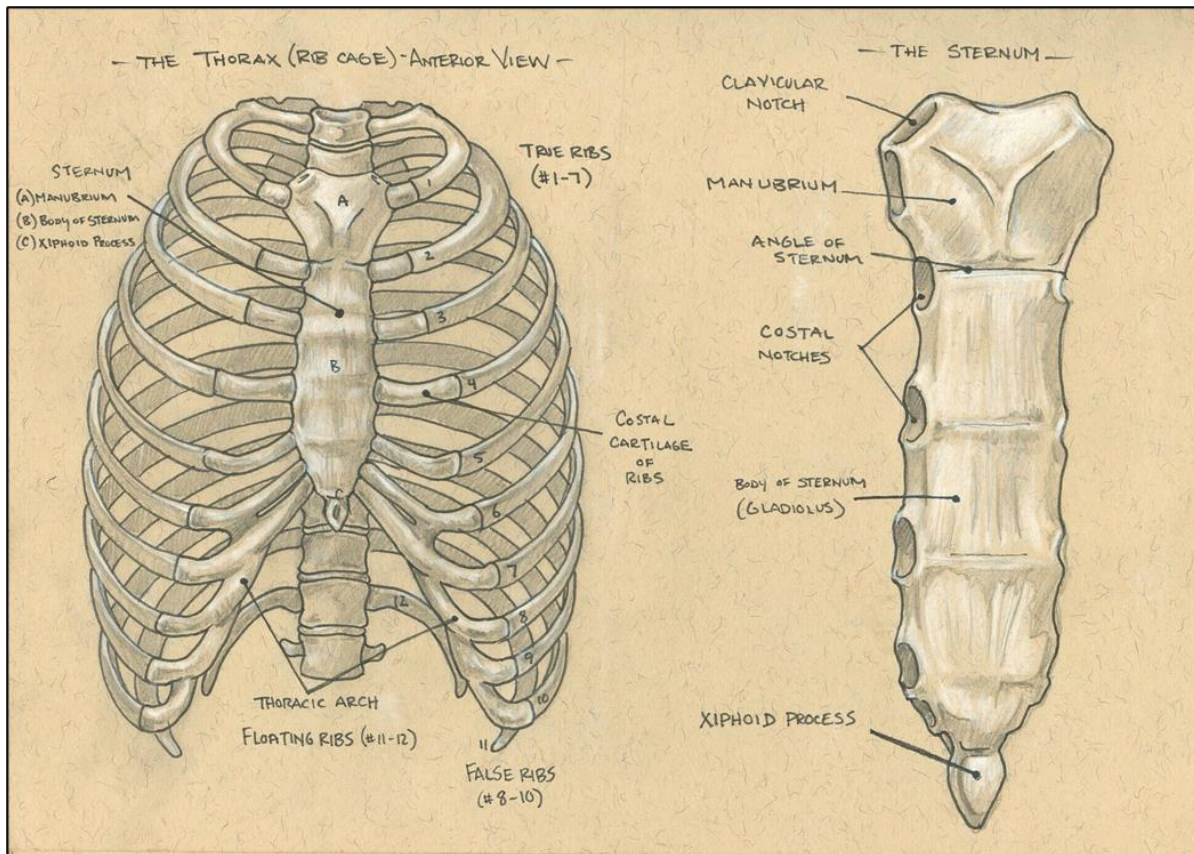

Your Spinal Column (Backbone) is Part of the Axial Skeleton. The Vertebral Column Houses the Spinal Canal, a Cavity that Encloses & Protects the Spinal Cord. The Vertebral Column is Divided into Regions (7 Bones of the Cervical Spine, 12 Bones of the Thoracic Spine, 5 Bones of the Lumbar Spine, 5 Fused Bones of the Sacrum, & Coccyx). In Total, the Vertebral Column has 32 Bones & Including the Skull Accounts for 33 Bones.

In Hinduism, the Kundalini (Coiled Snake) is a Form of Divine Feminine Energy (Shakti) Located at the Base of the Spine (Muladhara Chakra). This Energy, when Cultivated & Awakened through Tantric Practice, leads to Spiritual Liberation (Salvation, Emancipation).

In Hermeticism, **Your** Spine is Known as the 'Tree of **Life**' & Most Commonly Depicted as the Winged Caduceus (Two Intertwined Snakes).

In Judaism, **Your** Spine is the Tree of **Life**, the Budding Rod of Aaron, & the Snake Staff of Moses.

YOUR THORAX
